

# Liverpool Fencing Club

## KitShop

We are working with a local Liverpool company to provide you with Liverpool Fencing Club branded gear where you can show off and represent your favourite club at your next competition, club training, the gym or just wherever you happen to be in the world. (Take us on tour!!) When choosing items for our club kit we have prioritised affordability, durability and being greener by making it easier for you to find a loving new owner of your older club kit by not including personalised names.

Take a look at our current selection, which we will grow over time, below. We are offering three standard colours, neutral **BLACK**, **RED** and **BLUE**, each with our embroidered Liverpool Fencing Club Logo.

We recognise that these colours may not quite be your personal preference, or you might want something additional added. It would have been easy to say 'no'...but we chose 'why not?'. We are pleased to say that if there is anything you want to tweak in terms of colour or if you want anything additional added, let us know and we will see what we can do because whilst we are all Liverpool Fencing Club there is only one 'You' and we think you are awesome!

If there is an order you would like to make let us know your items and sizes by completing our form. If you aren't sure on size we would recommend to go one size bigger (especially for growing younger fencers). We will then batch the orders together and let you know the final price. All prices listed are estimated and change over time. We will always confirm with you the final price for your order before we place it.

*Now featuring!*
